

New Jersey's 10 Most Endangered Historic Sites List

Nomination Application

About the Program: The 10 Most Endangered Historic Places ("10 Most") program spotlights irreplaceable historic, architectural, cultural, and archaeological resources in New Jersey that are in imminent danger of being lost. The act of listing these resources acknowledges their importance to the heritage of New Jersey and draws attention to the predicaments that endanger their survival.

The list, generated from nominations by the public, aims to attract new perspectives and ideas to sites in desperate need of creative solutions. Through the 10 Most, we have an opportunity to bolster these places' recognition, preservation, interpretation, and funding, and in doing so, help protect them for generations to come.

Technical Assistance: Nominations selected on the 10 Most list will receive technical assistance and support from the Executive Director, PNJ Staff, and/or Board members. Support will come in assisting organizations and/or government agencies in how to effectively preserve their site, share their story, and attract volunteers and potential partners in all efforts to preserve the endangered site. While being on the list does not come with any funding, PNJ will provide assistance in how to receive financial support for planning, education, and capital improvement projects.

Note: The 10 Most Endangered Historic Sites Program is not a grant/funding program. The 10 Most Endangered Historic Sites Program is meant to bring awareness to endangered places, the groups that support them, and their goals (ie. fundraising campaigns, volunteer needs, etc.)

Nomination Requirements:

- **Form** – Completed nomination form and supplemental information. Please type or print clearly in pen. Please provide as much information as possible. Remember, this program is to help you advocate for a place you care about. We cannot do that without your knowledge. [As a note when compiling information for the application, any materials provided with the nomination will be useful for PNJ in

creating marketing material about the site which will be shared on our newsletters, website and across social media.

- **Photographs.** Please supply a minimum of 8 photographs. These images are needed to give the review committee an accurate impression of the property, show a range of views that clearly depict the condition or reasons why the site is endangered. Historic images are encouraged if available.
- **Submission:** All applications must be submitted via email to info@preservationnj.org no later than March 15th of each calendar year

Preservation New Jersey's ability to select and advocate for these endangered places depends upon the amount of information provided by the nominator.

Review Criteria: Preservation NJ Executive Board will use the following basic criteria for initial consideration into the 10 Most Program:

- Architectural integrity and historic significance;
- Imminence of threats and preservation need;
- Viability that inclusion into the program, will make a positive impact on continued preservation efforts; and
- Geographic and thematic diversity.
